

EP Global Communications is **searching for sales reps** with PASSION! PASSION to skillfully enlighten clients how we can help elevate them to the next level in sales with our multi-media approach to the Special Needs market (Autism, Cerebral Palsy, Epilepsy, Development Disabilities, etc...).

We are looking for sales gurus with PASSION that have the ability to promote the following...

- Our Disability Awareness Nights – at sporting arenas across the country.
- To secure schedules with Fortune 500 clients for our online magazine.
- To secure schedules with small to mid-range 500 clients for our online magazine.
- To sell our Webinar series to numerous Special Needs markets across the U.S.
- To sell our Pocket Resources Guide to large corporations throughout North America.
- To sell our Premier Consulting Service (1-3 day events) to organizations needing guidance & structure from the brightest minds in the Special Needs industry.
- To constantly think outside the box and package these programs (and others) as a bundle that can earn a substantial commission.

Exceptional Parent has been the leader in the Special Needs marketplace for the past 40 years. We seek aggressive, motivated sales professionals who will go out of their way to understand their client's Special Needs wants and needs and intelligently sculpt an advertising package based on those requirements. Reps shall be paid on a commission basis.

So if you are a self-starter who has PASSION, is polished, has drive, initiative, a track record of meeting quota, possesses a powerful Rolodex, energetic, persuasive, organized, adept at multitasking, has a professional business demeanor, has reliable transportation and is able to develop new business via cold calling and quality sales presentations please don't miss this exciting opportunity to earn unlimited income.

If you think you fit the bill, write a few compelling paragraphs telling us why you think you have the assets we're seeking to market our services. In case you weren't aware there are over 54 Million individuals in the U.S. with disabilities.
